ABOUT US

UNITED ELECTRICAL SPECIALISTS, INC. was established in April 2012, specializing in the services and distribution of high-quality electrical components and equipment from renowned manufacturers such as ABB, Hitachi, Eaton, Siemens, GE, and Schneider Electric. Alongside our extensive selection of electrical components, we are proud to deliver state-of-the-art solutions in security, communication, control systems, automation, and renewable energy sectors. Our collection of solutions includes FDAS, PA/BGM, CCTV/Security, and Intercom Systems from trusted brands like Bosch, LeGrand/Bticino, Honeywell, Hikvision, Broadlink and Dahua. We also supply solar panels and micro inverters from reliable brands like Longi and Enphase.

Beyond our industry-leading products, we provide a comprehensive selection of locally manufactured and fabricated items designed to meet your specific needs. Our parent manufacturing facility, Total Power Box Solution, Inc., ensures that all products comply with international standards such as IEC and UL. This includes panelboards, busway systems, enclosed circuit breakers, cable trays, and various other electrical products. In 2018, the manufacturing facility located in Silang, Cavite was granted ISO 9001: 2015 certification.

At UES, Inc., our commitment is to deliver top-notch solutions, exceptional customer service, and a diverse product range to fulfill your electrical and security requirements. With nearly a decade of experience, we are your reliable partner in powering and securing your projects.

VISION

To be the number one locally-made energy-efficient solutions provider to the country's industrial and energy market.

MISSION

To promote and develop safe, reliable and energy-efficient electro-mechanical equipment, technical schemes and methodologies, systemization, automation, energization and other related operation and maintenance services requirements.

To promote value chain efficiency in selling and procuring for trade and distribution of electro-mechanical components, equipment, devices, wiring configurations suitable to both local and foreign market.

QUALITY POLICY

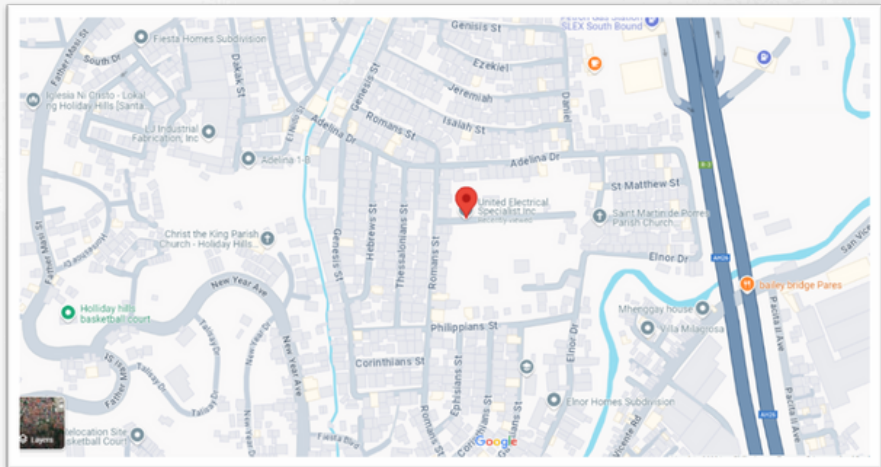

All of our locally-manufactured products, imported equipment and services are covered with conditional 1-year warranty. Exclusion from warranties is force majeure, third party logistics damage and altering of our equipment without any knowledge from any of our engineers that resulted to damage or malfunction of the equipment.

VALUE CHAIN

- We have wide arrays of CNC equipment to provide you the latest technology, fastest delivery, and best quality in metal enclosure fabrication and manufacturing.
- We keep at least 1 month of stock for all Schneider LV breakers contactors, relays, and components at a competitive price. Other brands are also on stock but for verification through our sales personnel.
- We have a group of Project and Service Engineer readily-available 24/7 to help our maintenance contract customer.

Dear Sir/Madam:

You have been registered with the Social Security System under I.D. No. 03-9287641-8. Your effective coverage is September 01, 2012. Enclosed are your registration papers.

It is very important that you indicate accurately your registered name and I.D. Number in all your transactions with the system especially your remittances to facilitate the immediate posting of your payments.

Your initial monthly contribution falls due on October 25, 2012 to cover the month of September 2012. Subsequent contributions should be remitted on or before the 25th day of the month following the applicable month. Failure on your part to deduct and to remit such contributions shall hold you liable for their payment and if any contribution is not paid to the SSS as herein prescribed, you shall pay besides the contribution a penalty of three percent (3%) per month from the date the contribution falls due until paid.

In case of suspension/termination/retirement of your business operation, please accomplish Form R-8 (Termination Notification) and submit same together with the pertinent supporting documents to the SSS, to avoid being billed for the periods when no contributions are required.

Likewise, any change in the employer registered name, address, ownership, or legal personality should be communicated to us for the purpose of updating your records to facilitate future transactions. Additional employees should be reported to the SSS through the SSS Form R1A.

Thank you and we look forward to being of further service to you.

Very truly yours,

LETICIA G. BARBERS

Dear Mr. Pangilinan,

Recertification to ISO 9001:2015

After your completion of the reassessment of your Quality Management System, Certification International Philippines, Inc. hereby recertifies **Total Power Box Solution, Inc.** to ISO 9001:2015. The Certificate is valid from 07 February 2021, with the following scope:

"Design, development, manufacture, and assembly of electrical distribution and control equipment (switchgears, panelboards, motor controllers, electrical transfer switches, capacitor banks, busway systems, cable trays and wire trays, and telecommunication cabinets/data racks)."

Your ISO 9001:2015 Certificate is valid for three years until 06 February 2024, subject to satisfactory results of semi-annual surveillance audits. The further extension of your Certificate after this three-year period will be based on your effective conformity to the requirements of ISO 9001:2015, as determined by a reassessment of your Quality Management System in its entirety. Please see attached surveillance audit schedule.

As a certified organization, you are required to maintain your Quality Management System and to comply with CI's Conditions of Certification, including the use of CI's Certificate of Registration and Certification Mark in accordance with CI Regulations Part 4 and Part 5 (copy enclosed).

Congratulations on your accomplishments with the continued use of ISO 9001:2015 as an instrument for enhancing the competitiveness of your organization and for meeting your stakeholders' needs and expectations. We look forward to a strong partnership that will maximize your organization's benefits from its certified Quality Management System.

Best wishes for your continued success.

Very truly yours,
